**Subject:** NASF/DEQ meeting on PFAS and Plating

Hi Kim,

So it's looks like I have confirmation for an in person meeting with NASF and DEQ for 1/8. I will go to Lansing for it.

I'm happy to take someone else from the team if they want to go, but I can also cover solo. And I can swing back through Belmont if you need anything from Wolverine (although I'm not sure that's really helpful at this point).

Thanks,  
Erin
